RE: Lilburn Police Department Renovation Project

The City of Lilburn Police Department contracted with Hollandsworth Construction to do an office conversion. Ryan Hollandsworth and his workers did an outstanding job transforming an existing space into a new office.

The job required demolition, interior, and exterior work while the day-to-day activities of our Department were being conducted. The staff was friendly, cooperative, and sensitive to our needs. The renovation was completed within their estimated time frame and exceeded our expectations.

I would highly recommend Hollandsworth Construction for commercial renovation projects.

Sincerely,
